

Serial No. 10/729,936

REMARKS

Claims 1-21 are pending in the present application. The applicant respectfully requests reconsideration and allowance of the present application in view of the above amendments and the following remarks.

Improper Identification of Claims

In the response dated July 29, 2005, Applicants incorrectly identified claims 16 and 17 as being "Original." In fact, their status was actually "Currently Amended." In this response Applicants have properly identified them as "Previously Presented" to indicate that they were once amended.

Amendment to Claim 18

Upon review, Applicants discovered that new claim 18, referred to "the transmitting means" without providing proper antecedent basis.

By this response, Applicants amend claim 18 to provide antecedent basis for "the transmitting means."

Serial No. 10/729,936

Conclusion

In view of the foregoing, the applicant respectfully submits that the present application is in condition for allowance. A timely notice to that effect is respectfully requested. If questions relating to patentability remain, the examiner is invited to contact the undersigned by telephone.

Please charge any unforeseen fees that may be due to Deposit Account No. 50-1147.

Respectfully submitted,

Brian C. Altmiller
